Principal's Message

Dear **SMEIS** Families,
October has been a month of learning, celebration, and memorable experiences at **SMEIS**!
Our students celebrated **October 6th**, commemorating a proud moment in **Egypt's** history and reflecting on the values of courage, determination, and national pride. Our school trips also gave the girls opportunities to explore, discover, enjoy new experiences, and strengthen their friendships beyond the classroom.
At **SMEIS**, we believe that learning extends beyond textbooks. Every celebration, trip, and shared experience helps our girls grow in knowledge, confidence, and purpose .

Warm regards,
Mrs. Alice Joseph

OCT. 5 **October 6th Celebration**

During the Morning Line on October 5, **SMEIS** celebrated **October 6th**, honoring a proud moment in **Egypt**'s history.

K1 -2 students explored this important national occasion during their Arabic sessions through engaging activities and themed crafts, helping them learn about **Egypt**'s history in an enjoyable and meaningful way.

OCT. 4 Spelling Bee Competition Round 1

SMEIS started Round 1 of the **Spelling Bee Competition** on October 4, bringing together students to strengthen their vocabulary and spelling skills across **English**, **Mathematics**, **Science**, and **Social Studies** (**SSE**).
Students received lists of subject-related words along with their meanings to help them prepare for the competition.
As they began the first round, they had the opportunity to expand their knowledge, improve their understanding of key terms, and build confidence in their learning.
We look forward to seeing our students progress to Round 2!

OCT. 7 Nutty Scientists Trip

On October 7, **SMEIS** students from **K1** to **Grade 3** enjoyed an exciting educational trip to **Nutty Scientists**, where they explored the world of science through a variety of fun and engaging experiments.
The experience allowed our young learners to discover scientific concepts through hands-on activities, spark their curiosity, and learn while having fun. It was a memorable day filled with exploration, excitement, and scientific discovery!

OCT. 12 World Mental Health Day

On October 12, **SMEIS** celebrated **World Mental Health Day**, an international occasion officially observed every year on October 10 to raise awareness about mental health and promote psychological well-being.
The day was first observed in 1992, initiated by the **World Federation for Mental Health (WFMH)** under the leadership of **Richard Hunter**, the Deputy Secretary-General at the time, who believed that mental health should receive the same attention and care as physical health.

During the Morning Line broadcast, **SMEIS** students highlighted the importance of mental health and its impact on our daily lives, particularly in education, academic performance, and physical health. They discussed how emotional well-being can influence concentration, motivation, learning, and overall health.
The students also introduced practical ways to care for our mental well-being when facing challenges.

OCT. 15&22 Grand Egyptian Museum Trips

SMEIS organized two educational trips to the **Grand Egyptian Museum**, with students from **Grades 7–9** visiting on October 15 and students from **Grades 4–6** visiting on October 22.
During their visits, students enjoyed exploring the museum's remarkable historical artifacts and discovering more about **Ancient Egyptian** history and civilization. The experience offered them a valuable opportunity to connect their classroom learning with real historical artifacts, deepen their appreciation of **Egypt**'s rich heritage, and create memorable learning experiences beyond the classroom.

OCT. 22 K1–K2 Mystery Day

SMEIS K1 and **K2** students enjoyed an exciting **Mystery Day** filled with fun, playful challenges, and mysterious games to explore. Through these engaging activities, our young learners used their curiosity, observation, and problem-solving skills while discovering surprises along the way. It was a joyful day full of excitement, exploration, and memorable moments for our youngest learners!

K1 & K2 Admissions Are Now Open for the 2027–2028 Academic Year!

Give your daughter a school experience where she is seen, supported, and empowered to Lead, Know, Impact, and Grow.
